Description

One or more photo(s) has been virtually staged, AI generated or rendered. The Cali floorplan at Avalon is an 1,828 square foot home with 4 bedrooms, 2 bathrooms, and a two-car garage. As one of our most popular floorplans, this one-story home features an open-concept design to enhance the modern feel of this home. The well-appointed kitchen includes a large island perfect for bar-style eating or entertaining, a walk-in pantry, quartz countertops, and plenty of cabinets to offer ample storage space. The dining room and living room both overlook the covered lanai, which is a great area for relaxing and enjoying the Florida weather. The large primary bedroom located at the back of the home for privacy, can comfortably fit a king-size bed, and includes an en suite bathroom with double vanity, spacious walk-in closet, and separate linen closet. Three other bedrooms share a second bathroom with the fourth bedroom located away so that it can be used as a den, flex space, or bedroom. The two-car garage connects to the front hallway where the laundry room and an extra storage closet are also located. Contact us today and find your home at Avalon.
