This 4-bedroom, 3.5-bath estate is beautifully landscaped and features gated entry, a circular paved driveway, and tranquil lake views. Upon entry, the foyer is highlighted by a vintage Swarovski crystal chandelier and opens to a formal living room with a dramatic rock fireplace and triple-arched window overlooking the pool and lanai. A private office with wood floors and vintage glass double doors sits just off the foyer, along with a formal dining room featuring wood floors, an elegant chandelier, and large front-facing windows. The gourmet kitchen features granite countertops, a rock-accented bar, stainless steel appliances including an ice machine and trash compactor, center island, double sinks plus prep sink, soft-close cabinetry with slide-out shelving, accent lighting, glass display cabinetry, and a walk-in pantry. The adjacent family room opens through double glass doors to a sunroom and seamlessly connects to the outdoor living space. The first-floor master suite is a luxurious retreat, complete with a fireplace, ceiling fans, darkening blinds, and oversized his-and-her walk-in closets. The spa-inspired master bath includes a soaking tub with stained-glass accent window, a glass-enclosed shower with body jets, rain head, and handheld shower, dual granite vanities, a makeup vanity, tile flooring, and custom cabinetry. Upstairs are three spacious bedrooms, all with wood floors and walk-in closets, plus a full bath with double vanities and a

tub/shower combination. Enjoy resort-style living with a heated pool, sheer descents, lighting, and stunning lake views. The stone-paved lanai includes an outdoor cooking and entertainment area, with a paved walkway leading to a firepit. Additional features include a half bath with vintage accent sink, a spacious laundry room with granite countertops and storage, a screened patio, and a two-car garage. Above the garage is a large game room or apartment with full bath, mini kitchen, bar, and entertainment space. A 2,160 sq. ft. (36’ x 60’) detached brick garage/workshop/outbuilding adds exceptional versatility, featuring two 14’ x 9’ garage doors and a separate entrance leading to a small office or workroom—ideal for storage, hobbies, or business use.
