## Description

Nestled within the peaceful, nature-forward setting of Bay Pointe at Bonita Bay, this well-maintained second-floor coach home offers a quiet retreat with serene, still-water lake views that feel worlds away from the everyday. The flexible layout lives comfortably with both a living room and a family room, creating space to gather, unwind, or entertain with ease. Neutral white cabinetry and Formica countertops keep the kitchen light and timeless. Tile flooring laid on the diagonal spans the main living areas, while plantation shutters add warmth and character, and decorative cove shelving provides subtle architectural interest. The screened lanai overlooks the tranquil lake beyond and is outfitted with electric hurricane shutters for added peace of mind. The primary suite features wood-style vinyl flooring and a spacious walk-in closet with custom organizer. The ensuite bath offers cultured marble dual vanities, a separate shower, and a soaking garden tub. Guest accommodations are generously sized, each with closet organizers, including a versatile bedroom outfitted with built-in cabinetry, desk, and bookshelves—ideal for a home office or media room. A guest bath with cultured marble countertop, tile flooring, and shower serves visitors with ease. Residents of Bonita Bay enjoy access to exceptional amenities including a private beach park on the Gulf, miles of scenic walking and biking trails, a full-service marina, parks, and optional membership opportunities for championship golf, tennis, fitness, and dining—enhancing the lifestyle with both recreation and

refined leisure. Peaceful, pristine, and perfectly positioned within Bonita Bay’s celebrated natural surroundings, this Bay Pointe residence offers an easygoing lifestyle defined by comfort, flexibility, and quiet lakefront beauty.
