Description

Overlooking the pristine sands of Fort Myers Beach, this BRAND NEW custom-built 3 story home by Imperial Homes offers the perfect blend of contemporary architecture and classic coastal charm. Designed as the ultimate luxury retreat, this 4,392 sq. ft. residence features 4 bedrooms and 4.5 bathrooms, with every detail thoughtfully curated to maximize panoramic Island/Gulf views, comfort, and elegance. Offered FULLY FURNISHED with design by Clive Daniel Home’s Sherie Weidner, the interiors reflect a modern take on “coastal vacation,” incorporating light natural woods, glass, and stone to create a truly unique and sophisticated atmosphere. From the moment you step inside, the open-concept layout captivates with high-end finishes, vaulted ceilings, and seamless indoor-outdoor integration. Floor-to-ceiling windows and multiple balconies frame breathtaking Gulf vistas, while the state-of-the-art chef’s kitchen, complete with top-tier appliances, a spacious island, and custom cabinetry, is ideal for both entertaining and everyday living. The luxurious primary suite serves as a private sanctuary, featuring a spa-like bathroom, walk-in closets, and a serene balcony. A separate game room, a striking rock wall fireplace, and a stylish martini lounge add to the home’s standout design. Outdoor living is elevated with a covered lanai, resort-style pool with spa, and beach access across the street, creating the ultimate setting for relaxation. Smart home technology allows for effortless control of lighting, climate, and security, ensuring modern convenience. Hurricane-resistant

construction, impact-resistant windows, reinforced structural elements, and elevated foundations, this home is designed to withstand Florida’s weather. Energy-efficient features, including high-efficiency HVAC systems and smart irrigation, enhance sustainability without compromising luxury. This stunning home is a rare opportunity to own a piece of paradise on Fort Myers Beach in one of the best residential locations on the island!
