Description

Discover a truly one-of-a-kind custom-built masterpiece where luxury and meticulous craftsmanship converge. Every detail of this home has been thoughtfully designed with no expense spared, creating an unparalleled living experience. Boasting four spacious bedrooms, each with its own ensuite bath, plus a dedicated pool bath, this residence offers two sumptuous master suites—one located on the main level and another upstairs—for ultimate flexibility and privacy. Step inside to find rich hardwood floors throughout, complemented by high-end designer finishes that exude sophistication. The gourmet kitchen is a chef’s dream, featuring Wolf appliances, stunning Cambria quartz countertops, and solid wood cabinetry. Sold fully furnished, the home’s interiors have been professionally curated by Arhaus, offering a seamless blend of style and comfort. Built for both relaxation and entertainment, this property shines with its seamless indoor-outdoor living spaces. The expansive outdoor area includes a fully equipped chef’s kitchen, a 10,000 lb boat lift, and direct access to the Gulf of Mexico via the scenic Imperial River—just a 30-minute ride to open waters. For tech enthusiasts, the state-of-the-art Elan whole-home automation system puts control of lighting, fans, security, storm shutters, pool, spa, irrigation, and more right at your fingertips through a convenient app. Additional features include high-impact windows and doors, electric storm shades, and a history of no flood issues, ensuring peace of mind and security. This home is a rare gem that combines luxurious amenities,

cutting-edge technology, and effortless coastal living—all in one extraordinary package.
