Updated flooring throughout adds to the squeaky-clean aesthetic, as does the recently renovated master bathroom. Electric storm shutters plus newer roof from 2020 also create peace of mind during hurricane season! The condo also has an attached garage, driveway (with plenty of guest parking just steps away), and is right across the street from the Lalique community pool and clubhouse! Additionally, the Vineyards is among Naples' most coveted developments, boasting beautiful sidewalk trails for walking, jogging, biking, or meeting neighbors as you enjoy outdoor activities like the Vineyards Community Park!
