Description

Welcome to laid-back island living in beautiful Bokeelia. This cleared .22-acre mobile home lot offers the perfect opportunity to create your own slice of Old Florida charm on Pine Island. With Greater Pine Island Water available and the seller stating the existing septic system remains intact after removal of the previous mobile home, much of the groundwork is already in place. Tucked away on a quiet street, this property invites a slower pace of life—think coastal breezes, nearby fishing and boating, waterfront restaurants and bars, and evenings under the stars. Whether you’re dreaming of a full-time residence, seasonal getaway, or investment opportunity, this lot is an ideal starting point for your island escape. Lee County zoning requires elevated construction. Contact the zoning dept for more information. Come enjoy the simple, authentic Florida lifestyle that makes Pine Island so special.
