Description

This residential corner lot offers a practical and well-positioned opportunity to build a new single-family home in an established section of Lehigh Acres. The property is located on a paved road, with nearby homes and active new construction, showing continued neighborhood development and stability. Utilities are available in the area, ensuring a smoother building process once permits are approved. Also, the location offers convenient access to major roads, schools, shopping, and daily services, while still maintaining the privacy and space that Lehigh Acres is known for. To make this opportunity even more appealing, our construction company offers a wide selection of pre-designed and customizable models, adaptable to different family sizes, lifestyles, and budgets. From design to construction, we provide guidance at every stage to ensure efficiency and quality. Whether you are planning a primary residence or a new construction project with resale potential, this lot is what you need to start building your future. Call us for more information today.
