Description

Steps from the water! You can hear the bay waters gently sloshing against the shoreline from the front deck. Enjoy beautiful bay views from the front screened-in deck and watch the boats come and go from Safety Harbor. Relax to the sounds of the cheerful sea birds that soar over Safety Harbor and watch the dolphins swim in the bay. This meticulously maintained townhouse has gorgeous views of Safety Harbor. New roof in 2023. The master suite has an updated bathroom with walk-in shower, and there is a peaceful screened-in sitting area right off the master bedroom. Two adorable bedrooms are upstairs, with sweeping bay views from one of the upstairs bedrooms. The lower area has brand new flooring, a laundry area, and full golf cart garage to park your golf cart (included). The community dockage is just steps away from the front door, with additional slips available at the community wharf where you will find a fish cleaning station and plenty of docks to fish from. Also steps away from the front door is a lovely bay beach where you can launch your kayak (included) or go fishing. Membership with Safety Harbor Club includes a community heated pool, tennis and pickle ball, private beach access, a restaurant on the water, clubhouse, and miles of pristine, uncrowded, white sugar-sand Gulf beaches. North Captiva is an island with no roads to it, so ride the bi-hourly Island Girl ferry from Pineland Marina to North Captiva and get around the island on golf carts. This unique feature of the island makes it particularly peaceful and attractive.
