Description

Absolutely spectacular! The views of the Gulf and Clam Bayou from this gorgeous home are truly stunning. With two floors of living space that include a screened lanai and an open sun porch and with abundant windows, this home is positioned perfectly to capitalize upon the unbelievable views. Sunrise, sunset, throughout the day and star-gazing with no lights to interrupt... each moment of the day is incredible. The vaulted ceiling and plentiful windows in the living room that extends beautifully from the fabulous kitchen and dining room create a great room overlooking the water that is stunning. Two en suite guest bedrooms on this level compliment the space and offer the flexibility of creating a comfortable den or office. The primary suite encompasses the full top floor and is enhanced by the open porch with truly amazing views. An elevator services all three floors, from the enclosed garage to the primary suite. Every room has been thoughtfully and expertly designed with high quality finishes, decor, and furnishings perfectly suited to the space. Sold turnkey, this magazine-ready home is ready to enjoy with every detail completed. This is a home that needs nothing. It is a true opportunity for a discerning buyer looking for a beautifully done, impeccably maintained, near beach home. Come enjoy! This is the beach house you have been hoping to find!
