Description

If your looking to be close to all the new attractions in Bonita Springs but at a reasonable price then this is the townhouse for you. It's close to the new Midtown development and downtown Bonita but far enough away to not be in the middle of it all. Located close to dog parks, beaches and YMCA. This 2 bedroom, 2.5 bath townhouse has an updated Kitchen with all appliances included. Laundry is conveniently located in the unit and washer and dryer are included. Walk-in closet in Master Bedroom and master bath and shower. 2nd story balcony overlooking the pond to enjoy that morning cup of coffee. There is additional storage under the stairs as well as on the lenai. New windows were installed in 2025. UPDATE - Exterior of Townhouses have been freshly painted, updated parking lot and painted lines and all the landscape trimmed away from buildings.
