Corner lot with 13,939 sq ft located across from the water, enjoy western sunset waterfront views from the spectacular rooftop entertainer’s deck. Built in 2023, this exceptional 4-bedroom + lounge, 6-bath residence offers the rare opportunity to own a nearly new luxury home in one of Naples’ most sought-after locations—without the premium pricing of waterfront properties. Every bedroom is a private en-suite retreat, complemented by luxuriously designed custom closets that provide exceptional organization and storage. Thoughtfully designed for both everyday living and entertaining, the home also features two laundry rooms, a 3-car air-conditioned garage, a second-floor wet bar, and multiple indoor-outdoor living spaces with wrap around extensive private balconies and a rooftop terrace. The enormous chef’s kitchen is equipped with top-tier appliances, custom cabinetry, and generous workspace, flowing seamlessly into expansive living areas with soaring ceilings, refined finishes, and a stunning fireplace that creates a warm, sophisticated focal point. A private elevator services every level, including the fully built-out rooftop retreat featuring an outdoor summer kitchen, cabana bath, and panoramic water views—ideal for sunset entertaining. Outdoor amenities include a resort-style pool and spa, covered entertaining areas, and lush tropical landscaping. Built with concrete block construction, impact-resistant windows

and doors, and premium materials throughout, this home offers the quality and peace of mind that come with newer construction, including modern systems, current building standards, and no renovation delays. Ideally located just minutes from the Gulf beaches, Venetian Village, and Fifth Avenue South, this move-in-ready residence delivers luxurious coastal living in one of Naples’ most desirable neighborhoods. Property owners are eligible to obtain voluntary membership in the Park Shore Association, providing access to the private Park Shore Beach Park. *Photos have been virtually staged*
