Description

Perfectly positioned between Venetian Bay and the Gulf, this sixth-floor residence at Harborside West in The Moorings offers a peaceful retreat with tasteful finishes, featuring 3 bedrooms, 2.5 baths, and 1,702 square feet of living space. Enjoy beautiful sunrises, panoramic bay views, dolphins at play, and tranquil breezes from the spacious glass enclosed lanai with versatile sliding windows. The split-bedroom floor plan provides privacy and comfort with en-suite bathrooms and generous closets in both the primary and guest suites, while the third bedroom may also serve as an office and is conveniently located near the well-appointed half bath. The kitchen offers upgraded custom cabinetry and abundant natural light. Additional conveniences include two deeded parking spaces, one under the building, and one under the detached carport, and an extra storage closet. Harborside West provides exceptional amenities including a beautifully renovated social room with a full kitchen, fitness room, heated pool, grill area, library, hobby room, fishing pier, bike storage, and vehicle wash area, all within a friendly, secure building with on-site management. Ideally located within walking distance of Venetian Village and just across the street from beach access, residents may also join the Moorings Homeowners Association for private beach access.
