## Description

Discover the perfect opportunity to create your ideal home design. The land previously had homes on site, and impact fees have already been paid, providing valuable savings for the next owner. The included uninstalled mobile home is Wind Zone 3 compliant, making it suitable for higher wind-load areas. Land ownership and clear mobile home titles add peace of mind and flexibility for future use. Inside, the mobile home has been fully gutted, giving you the freedom to customize the layout and finishes exactly to your taste. Whether you're looking to build, renovate, or invest, this property offers excellent potential and a head start on your next project. Please note square footage is approximate
