Description

Tucked away just off the historic McGregor Corridor, this beautifully updated 3-bedroom, 2-bath home blends classic Old Florida charm with modern upgrades, all in one of Fort Myers' most desirable established neighborhoods. Set on an oversized lot with mature surroundings, the home has been thoughtfully remodeled with luxury vinyl plank flooring, quartzite countertops, custom cabinetry, GE Café appliances, plantation shutters, custom closets, and impact windows and doors throughout. Major systems have already been taken care of, including a newer roof and AC, giving buyers true move-in peace of mind. Outside, enjoy a fully fenced yard with new landscaping, a paver driveway, covered patio, and plenty of space to add a pool or create your own backyard retreat. The real value here is location. Living along the McGregor Corridor places you minutes from downtown Fort Myers, waterfront dining, and cultural landmarks like Edison and Ford Winter Estates, while still enjoying the quiet, tree-lined streets and character that define this historic part of Fort Myers. You're also a short drive to Fort Myers Beach, Sanibel, and the growing downtown river district filled with restaurants, events, and nightlife. If you're looking for a move-in-ready home in a classic, centrally located Fort Myers neighborhood where the homes have character, and the location holds long-term value, this one checks all the boxes.
