Description

Located in the gated community of Emerald Cove, this 4 bedroom, 3 bathroom lakefront home offers a spacious floor plan and access to one of Cape Coral’s most charming freshwater neighborhoods. The main living space includes vaulted ceilings, a dedicated dining area, and a bright kitchen with a breakfast nook overlooking the water. The primary suite features an ensuite bathroom, walk-in closet, and sliding glass doors that lead out to the lanai. Out back, enjoy serene lake views and easy access to Weatherly Lake and the surrounding freshwater canal system - perfect for kayaking, paddleboarding, or cruising on a small boat or jet ski - offering a relaxing and recreational option for those who want to live on the water without the high cost of Gulf access. The covered patio offers room for outdoor dining or entertaining, with plenty of space to make it your own. This home is priced to reflect its current condition and is ready for a buyer who wants to put their own stamp on it. The bones are solid, the floor plan works, and the setting does the heavy lifting. Emerald Cove is a gated community known for its welcoming atmosphere and amenities, including a community pool, private beach, playground, and fishing pier - all tucked away in a quiet, central Cape Coral location in an X flood zone. If you’re looking for space, waterfront living, and a great neighborhood feel, this Emerald Cove home is full of potential!
