Description

A spec home on this property would sell quickly! Utilities available. On a canal and sits along side an easement offering a whole lot of open space!! This lot sits on one of only a few freshwater canals in Banyan Village. There is municipal water and electric available. This location is convenient to LaBelle, Clewiston, Moore Haven, and of course Lake Okeechobee. Lake Okeechobee is world famous for freshwater fishing. This would be a perfect location for a spec home.
