Description

APPROVED SHORT SALE! Built in 2022, this 3-bedroom, 2-bath home with a 2-car garage offers solid bones and a fantastic opportunity for the right buyer. Set in a quiet, lightly developed area of Lehigh Acres, it’s perfect for those who value peace and privacy. Inside, you’ll find an open floor plan with a spacious great room and split-bedroom layout. The home needs some cosmetic attention—paint, flooring, and a thorough cleaning—but is priced accordingly at roughly 15–20% below comparable homes in the area. A little effort will go a long way toward restoring its full potential, whether you’re looking for your next home or an investment with built-in equity. Agents see private remarks.
