Description

Aruba Model. There are only 14 of these one floor level end units with 2 bedrooms, 2 bathrooms and a garage, in the Breckenridge community. People often wait multiple years with hopes of getting this floorplan. The flooring is large tile on a diagonal throughout. The kitchen has shaker cabinets, stainless steel appliances and granite counter tops. The bathrooms are completely updated and the guest has a walk in jacuzzi tub. The lanai, with it’s heavy sliding doors and outdoor patio, is private and overlooks a small lake. The large side yard provides added privacy. Pavers on the extra wide driveway and patio compliment the whole outside appearance. Breckenridge is a friendly and socially active community with bundled golf has no cart fees. Among the amenities are 5 pools, 8 Har Tru tennis courts, pickle ball, bocce, shuffle board and many other community activities. Estero is in the heart of Southwest Florida, only minutes from the airport, beaches, 3 huge shopping malls, restaurants galore, public library and state park. Short drive to Naples or Fort Myers. 5G WiFi is included. Please be sure to check out the MATTERPORT tour. To do so, click on Virtual Tour, then the 3D Tour. After that opens, click on the little man walking on the bottom left corner. You will then be able to every room in the house.
