Description

Two oversized and adjacent lots being offered together., or.....pick your favorite of the two lots and make an offer. The property has an older home that was used as a day care/pre-school facility for over 30 years. Offering a combined total of .46 acres (.26 ac. & .2 ac., respectively), the two lots are fenced and have an attractive brick paver parking area along the street. 108th Avenue does not connect directly with Hwy 41, making it a quiet residential area. With very close beach access & unlimited leasing potential, this unique offering has a great location with a variety of potential uses and developmental possibilities, what is yours?
