Description

Sunshine, space, and peace of mind! This beautifully updated 3-bedroom, 2-bath Cape Coral home offers an impressive 2,017 square feet of living space and is ready for its next chapter, whether you’re looking for a full-time residence with room to grow or a second home in sunny Southwest Florida. Built in 2007 and thoughtfully refreshed inside, the home offers a bright, inviting layout with generous living areas for everyday life and easy entertaining. A second living or dining room gives you flexible space for gatherings, a formal dining area, or a cozy den, and a built-in office makes working from home a breeze. The updated kitchen brings a fresh, modern feel, while the split bedroom plan gives the primary suite a quiet retreat of its own. Two additional bedrooms offer comfortable space for everyone. Big-ticket items are already done, with a NEW ROOF in 2023 and HVAC in 2021, so you can move in and simply enjoy. A 2-car attached garage adds convenient storage and room for all your Florida toys. The location makes daily life easy. You’re minutes from Pine Island Road’s growing corridor of shopping and dining, including Publix, Aldi, Target, Lowe’s, Home Depot, and favorites like Texas Roadhouse, Mission BBQ, and Starbucks. You also have quick access to US-41, Fort Myers, Punta Gorda, and Southwest Florida International Airport, which makes it ideal for seasonal visits too. Don’t miss your chance to own a move-in ready home in one of Cape Coral’s fastest-growing areas. Schedule your private showing today!
