Description

Elegance meets effortless modern living in this breathtaking, semi custom home. One of only six oversized floor plans in the entire community, this masterfully crafted residence features four spacious bedrooms, four bathrooms, and a highly adaptable flex room. From the moment you step inside, soaring ceilings and sophisticated crown molding establish an air of grand sophistication. At the heart of the home is a custom gourmet kitchen equipped with premium finishes, 42 inch upper cabinetry, and a natural gas stove, seamlessly connected to a custom built in wet bar designed for entertaining. The first-floor primary suite serves as a private oasis, offering direct access to the outdoors and an adjacent versatile flex space—ideal for a home office, nursery, or private library. Step outside into your personal paradise: an expansive 1,400-square-foot lanai framing a custom pool and integrated spa, all effortlessly managed via the smart Aqualink system. Beyond the gates, residents enjoy a vibrant, resort-style lifestyle centered around a magnificent clubhouse, fitness center, tennis and pickleball courts, a billiards room, and a playground. Strategically located, this home places you minutes from premier shopping at Coconut Point and Miromar Outlets, elite dining, SWFL International Airport, and pristine Gulf Coast beaches.
