Description

Large lot right across the street from Quicksilver Lake which is surrounded by Gulf access lots. This area is HOT and booming with new construction! Great location between Cape Coral and Punta Gorda where everyone wants to move. Lots here are still large which is getting more difficult to find every day. No HOA or CDD fees either. Beautiful cleared lot awaits your new home to be built. Escape crowded Fort Myers and buy this lot before someone else does. Crystal Lakes Park is permitted and underway within walking distance.
