Description

This home is pre-construction, already out of permitting and ready to break-ground. Build time will take approx. 4 - 6 months from start of construction. Purchase now and customize your color options and finishes for the "Cezane-B" open floor plan! You even have the option to upgrade to a pool! The home offers 1,667 sq.ft. of living space with 3 bedrooms, 2 full bathrooms, and a 2-car garage. The open layout features glass sliding doors to integrate indoor and outdoor spaces. Hurricane impact windows and doors are installed for your safety. Buyers can still select and upgrade many customization options, including cabinets, tiles, interior doors, countertops, paint, plumbing, electrical, and landscaping. You may even add a pool as an upgrade! Photos are used for illustrative purposes and may include upgraded options. Price is for base-level options and selections. Home is pre-construction. Customer may choose their selections and choose to upgrade options.
