Description

This spacious corner vacant lot in Lehigh Acres, Florida, presents a unique opportunity to build in a desirable and growing community. Positioned on the end of a quiet street, the lot offers enhanced accessibility and flexible design options for a custom home or investment property. The land is level, dry, and ready for development, with nearby access to electricity and water. Located in a peaceful neighborhood yet close to schools, shopping, and major roadways, it’s ideal for families or developers seeking value and convenience. Don’t miss your chance to own a corner lot in one of Southwest Florida’s fastest-growing areas. PID# 13-45-26-04-00039.0100
