Description

Located west of Crayton Road on one of the southernmost streets in the Moorings, 289 Spring Line Drive is the largest non-combined property available, offering .58 acres. With almost 160 feet of frontage, any new development has a wide variety of options to build a unique estate not possible on normal properties such as a hidden side-loading garage, attached cabana and more. Additionally, the large lot size allows for an approximately 6,600 square foot single story residence, or an over 10,000 square foot two story residence. Spring Line Drive is a secluded, low-traffic street, perfectly positioned in the Moorings and conveniently located to all of downtown Naples. Only a short walk away, the Moorings Beach Park, a private beachfront retreat featuring pristine white sands and calm Gulf waters without the crowds of public beaches, is available through membership of the Moorings Property Owners Association.
