Description

Lot 2 - Imagine driving into Naples Motorcoach Resort in Naples Florida, going up your street which is where you encounter a charming circle with a landscaped area in the center. You go around and pull into your lot, beautifully landscaped, fully paved. You park your coach and walk towards the water and the mangrove view. As you walk, you can't help but to notice that on the way to your huge dock, the pavers are tiered, providing interest and several distinct entertainment areas. You continue and see the tiki and then listen to the falling water from your lighted water feature... the water cascading down glistens like diamonds, but you press on. You go to the dock, you can't wait to get in your boat and cruise to the gulf. There is a bridge so you lower your bimini top as we are now at high tide. You have a wonderful day on the water and now return, but wait it is dusk.. now the water feature takes on new life with the back lighting, the tiers of your patios are lit from underneath, key elements of your tropical landscaping are lit up and welcoming and now you are home! You gather your things and sit in your tiki enjoying the sound of falling water and know you have arrived.
