Description

Lot 27 - Your turnkey tropical oasis awaits! Imagine driving up to your tropical home away from home. You have a beautiful, oversized lot artistically designed including a paved circular area to park your golf cart and plenty of room for your vehicle & motorhome. As you walk your property you immediately are in awe of the lush, landscaped areas. Then you enter through the sliding glass doors of your 310 sq foot casita that was built in 2019. You can relax with friends in the living room in air-conditioned comfort. Cook a meal in your well-appointed kitchen (gas cooktop!), do extra loads of laundry in your washer and dryer, a full bathroom is another highlight along with the loft area that boasts a library ladder. Now you head back outside to a large dining area with space to add an outdoor kitchen. Keep walking to your fire pit and sit around with friends listening to your water feature in more landscaping. Want to watch the big game? Go to your large tiki, sit at the granite bar or on your patio furniture in comfort knowing you have the pull-down screens if you get cool or want extra privacy. Even an area to store your bikes behind your bus. This amazing property is a one of a kind.
