Description

Gulf access lot in beautiful South Gulf Cove offers quick access to Charlotte Harbor by boat. South Gulf Cove is a voluntary HOA community that encompasses 30 square miles with 15,000 platted lots and 55 miles of navigable waterways, which connect to the Charlotte Harbor through a self-operated lock and lead to the Gulf of Mexico. The community is a designated Bird Sanctuary and also has a garden. The natural foliage, diversity of wildlife, beautiful sunrises and sunsets, and an abundance of water-accessible lots make South Gulf Cove a desirable place to live. There are nine parks, play areas, and one boat ramp. With close proximity to beaches, shopping, and dining make this community a perfect choice when deciding where to build your dream home.
