Description

Enjoy views of the lovely resort pool from two screened lanais, both shaded by palm trees that also provide privacy. Southwestern exposure creates plenty of natural light making the condo bright and inviting. This townhome style condo makes a stay here feel like a true home away from home. A spacious living and dining room, kitchen, laundry half bath and screened porch comprise the first floor. A guest room, full bath, and primary suite with the second screened porch are at the top floor. This condo's first floor is on the second floor of the building: the entire unit is elevated. New carpet throughout, new paint and furnishings in the primary bedroom, new plantation shutters in primary bedroom and living room. Blind Pass is a fabulous vacation compound on the west end of the island with a private bridge over the spectacular Clam Bayou. A kayak launch with kayaks for guest use provides an incredible way to explore this magical waterway. The beach is amazing... incredible shelling, sunsets, and miles of shoreline to enjoy. The pedestrian bridge brings you to a quiet, peaceful space, on the far east side of Bowman's Beach park. The resort pool, tennis and pickleball, grilling area, on-site office, and covered parking make this an ideal location for a beach vacation.
