Description

Location, location, location! Only a mile from the Gulf of Mexico beaches. Introducing a one-of-a-kind, rarely available and sought-after coastal villa in sunny Naples. The most notable features include a private swimming pool and spa with an overflowing water feature, a new roof, electric hurricane shutters, an attached two-car garage, southern exposure for maximum afternoon sun and a beautiful lake view with a fountain. Built in 1999 and renovated by the owner in the past years, this residence encompasses nearly 1,500 square feet of living space, three bedrooms, two baths, soaring ceilings with a sky-light in the kitchen, a built-in entertainment center in the living room, a large and re-designed primary bath, along with a custom-built California closet, oversized baseboards, large tile floors diagonally, a paved driveway, travertine tile floors and custom-built cabinets with a stainless steel beverage cooler in the pool area. These are only some of the notable improvements, all the rest are waiting to be seen just for you to fall in love with. A retreat for sunseekers and beachgoers that stands out among all others, surrounded by lavish tropical landscaping. This property is among the best of everything in Naples including beaches, shopping, dining, entertainment and places of worship. Northshore Lake Villas is a small, pet-friendly, gated community and the best-kept coastal secret with low HOA fees, a community pool and sun deck. Welcome to your new home in Naples.
