Description

Nice over sized residential single family lot in a great Lehigh Acres location. No HOA or Deed restrictions. This lot is mostly cleared with no large trees to remove. A sparkling fresh water lake sits behind the property preventing other homes being built in the rear. Your future lanai will be relaxing and private with an awesome lake and preserve view. Newer homes up and down Grant Blvd adds to the appeal. This lot is an ideal location for your new home or as an investment for the future.
