Description

One or more photo(s) has been virtually staged, AI generated or rendered. Exceptional waterfront opportunity at 1630 Chesapeake Avenue in desirable Oyster Bay, near Royal Harbor. Enjoy southern exposure on a wide, deep-water canal with direct Gulf access and no bridges. The private boat dock accommodates vessels up to about 40 feet, making it ideal for boating enthusiasts. The existing four-bedroom, three-bath home features a new roof, impact windows, and a large pool in a private waterfront setting. The home sustained flooding, and the interior has not been restored, offering an opportunity to renovate to your vision or explore building a new waterfront residence. Just minutes from downtown Naples, Fifth Avenue South’s shopping and dining, and the Gulf beaches, this property combines an outstanding location with exceptional potential.
