Description

Live the Mediterranean village lifestyle at Olé at Lely Resort, where palm lined promenades, a bandstand, a café, and a sprawling resort pool are just steps from your door. This two level residence offers 2 bedrooms, 2 baths, and 1,493 square feet made for easy Florida living. Upstairs, warm tones and soaring ceilings open to a spacious great room, a vaulted dining area, and a covered balcony for morning coffee and evening breezes. The kitchen has granite counters, stainless steel appliances, generous wood cabinetry, and a breakfast bar for casual gatherings. Plantation shutters, crown molding, and tile floors run through the main living space. The primary suite is a private retreat with a dual vanity, a soaking tub, and a glass enclosed shower. A second bedroom, a guest bath, and a dedicated laundry room complete the plan. An attached one car garage adds everyday convenience. Your HOA includes access to the 20,000 sq. ft. Village Center, with a pub, restaurant, fitness center, movie theater, and tennis and pickleball courts. You’re 15 minutes from the beaches of Marco Island and 20 minutes from the dining and shopping of 5th Avenue South, so this home works as a seasonal retreat, an investment, or a full time residence.
