Description

One of very few point cul-de-sac lakefront sites available in Pelican Lake Motorcoach Resort. This pie-shaped class A Motorcoach site spans approximately 5227 square feet with a great deal of footage along the lakefront. This is a pull-in site with Eastern exposure looking over the long lake view. The property is upgraded with a full paver pad and expanded patio creating a very large area for entertaining or enjoying the warmth of the Southwest Florida sun. The 10x10 coachhouse is upgraded on the exterior and interior. The exterior is finished with a new tile roof and stucco exterior with awnings. The interior includes a shower, toilet, ac, washer & dryer hookups, and shower. The walls and floor are all nicely finished and there is a good amount of space to use your own imagination on what you would like to use it for. The paver pad is surrounded very lush tropical landscaping with an inviting entrance and many royal palms.
