Description

Welcome to Tarpon Gardens at Tarpon Point Marina, one of Cape Coral’s most sought-after gated boating communities! This turnkey 2-bedroom + den, 2.5-bath coach home offers approximately 2,597 square feet of living space. With fresh paint and new carpet in 2026, it’s move-in ready, so you can start enjoying the Southwest Florida lifestyle from day one. Inside, the generous floor plan offers plenty of room to live and entertain. Tile flooring runs alongside new carpet, and the den offers flexibility for guests, a home office, or hobbies. Being offered turnkey, this residence is ideal for a seasonal buyer looking for an easy, hassle-free arrival. Tarpon Gardens offers something few Cape Coral communities can: a private, second gated enclave inside the already gated Tarpon Point, with its own clubhouse and pool. It’s quiet and residential, yet just a short walk from the marina village. Start the morning with a stroll along the promenade, then spend the afternoon at the pool, fitness center, sauna, or tennis courts. In the evening, choose between multiple restaurants or a casual sunset drink dockside at the Nauti Mermaid, with the Westin Cape Coral Resort right next door. For boaters, Tarpon Point Marina is one of Southwest Florida's premier marinas, with numerous slips & accommodations for large yachts, plus a fuel dock. From the protected basin, it’s a short cruise to the Caloosahatchee and out to the Gulf for fishing, island hopping, and lunch on Sanibel or Cabbage Key. Kayakers and paddleboarders will love exploring the surrounding mangroves, and Rotary Park’s trails

and butterfly house are just minutes away. Positioned on the southern tip of Cape Coral, with easy access to Fort Myers, Fort Myers Beach, Sanibel and Captiva, and Southwest Florida International Airport. Whether you’re looking for a seasonal home or a full-time home, this residence offers an exceptional combination of space, amenities, and Southwest Florida living.
