Description

This single story home has been reimagined from top to bottom, pairing generous proportions with polished modern finishes. Five bedrooms, three bathrooms, and a three car garage provide ample space for daily routines, visiting guests, and lively get-togethers. Wide-plank white oak floors and new wood interior doors extend throughout the space for a cohesive and refined look. At the center of the home, the remodeled kitchen combines quartz countertops and backsplash with an Italian ILVE stove — a six-element induction range. A Sub-Zero refrigerator and a separate butler’s pantry keep preparation, serving, and countertop clutter neatly out of sight. Two heating and cooling systems help to maintain comfort throughout the home, while new impact-resistant windows and sliding glass doors invite natural light indoors with practical protection. The southwest exposure provides sunshine throughout the day, and the rear of the property offers private landscaped views. Beyond the glass, the pool offers an appealing setting for afternoon swims and weekend relaxation. North Collier Regional Park is close by, with shopping, access to Interstate 75, regional airport connections, and Naples’ beaches also within convenient reach. Wilshire Lakes is a lovely gated community offering a community clubhouse with resort-style pool, tennis courts, and minutes from upscale retail, gourmet restaurants, and renowned golf this area is known for.
