One or more photo(s) has been virtually staged, AI generated or rendered. INVESTMENT OPPORTUNITY. Take in the very best of Greenlinks living with this beautifully furnished first-floor condo showcasing exceptional, wide lake views. Start your mornings with peaceful water scenery and unwind in the evening on the private screened lanai after a round of golf or a day by the pool—this is the kind of effortless Florida lifestyle everyone comes here for. Inside, the residence features two bedrooms, two full baths, and a versatile den/flex space that can easily serve as an office, media room, or additional sleeping area for visiting guests. The interior has been tastefully updated and thoughtfully furnished in a refined, elegant style, creating a move-in-ready retreat that feels both comfortable and polished. The first-floor location adds everyday convenience with easy access and no stairs, making it ideal for full-time living, seasonal use, or guests. Greenlinks is tucked within the highly sought-after Lely Resort, where residents enjoy a true resort environment with golf, a community pool, and clubhouse-style amenities. One of the best perks is the walkable dining just next door at Sam Snead’s Oak Grill and Tavern. When you’re ready for beach time or an evening out, downtown Naples, 5th Avenue South, and the area’s award-winning Gulf beaches are only a short drive away. For those seeking a property that can function as both a personal getaway and a smart investment, this condo checks every box. Greenlinks is among the few condominium communities in

the area that allows daily rentals, offering outstanding flexibility and strong income potential. Owners also have the option to place the unit in the Greenlinks rental program, providing a convenient, hands-off way to generate rental revenue when not in use. Opportunities like this—especially in such pristine condition—are rare in today’s market. One or more photo(s) has been virtually staged, AI generated or rendered.
