Description

Enjoy Florida living in this updated 2-bedroom, 2-bath garden condo in desirable Parker Lakes! This second-floor walk-up features high ceilings, new LVT flooring, fresh interior paint, and all-new appliances, including HVAC and washer and dryer. The kitchen offers Shaker-style cabinet fronts and sliding doors at the pass-through, allowing separation between the kitchen/family room and great room. Solid wood valences accent every window, while new overhead lighting and ceiling fans, including on the covered, screened lanai, complete the updates. Hurricane roll-down shutters throughout provide added storm protection.
