Description

One or more photo(s) has been virtually staged, AI generated or rendered. Enjoy the best of coastal living just 12 minutes from Fort Myers Beach and 17 minutes from beautiful Sanibel Island! Ground-floor 3-bedroom, 2-bath first-floor condo means no stairs and you step right out to your own covered lanai surrounded by lush tropical landscaping. Wood laminate flooring runs throughout with no carpet anywhere. Deep blue accent walls give the open floor plan a fresh, modern coastal feel. The kitchen features stainless steel appliances, including a side-by-side refrigerator, over-the-range microwave and electric range. You'll also find granite countertops, wood cabinetry and a kitchen counter that opens to the living area. A bright dining space is lit by a woven pendant light. Sliding glass doors fill the living room with natural light and lead out to the covered patio, a great spot for morning coffee or an evening breeze. The primary suite has a ceiling fan, a walk-in closet with built-in shelving, and an updated en-suite bath with a tiled walk-in shower, mosaic accents and black fixtures. Both guest bedrooms are a good size and have their own closets, which makes the home easy to set up for guests, a home office or hobbies. The second full bath has a tub/shower combo and a stone-finish vanity. An in-unit laundry room with a full-size washer and dryer adds convenience. The well-kept community has manicured grounds and resort-style amenities, including a sparkling pool, a relaxing spa and a community game room. Investors take note: monthly rentals are allowed, so this condo

works well for seasonal renters who want to be close to the beach. You’re about 12 minutes from the sand and surf of Fort Myers Beach, with shopping, dining and golf close by. It suits a full-time residence, a winter getaway or an income property.
