Showcasing an extraordinary blend of sophistication and coastal prestige, this remarkable beachfront residence within The Remington represents the pinnacle of Bay Colony luxury living. Following an impressive multi-million-dollar tower renovation, this iconic address delivers a refined Gulf-front lifestyle with privileged proximity to the Ritz-Carlton and exclusive access to the private Bay Colony Beach Club. Perfectly designed to capture both sunrise and sunset vistas, this rare east-to-west residence features dual terraces that frame sweeping water and city views while welcoming natural light throughout the day. The spacious floor plan offers two luxurious bedroom suites, a versatile den easily suited as a third bedroom, and three beautifully appointed baths. A private elevator whisks you from the secure under-building garage—with two dedicated parking spaces—directly into your private foyer, offering the elevated arrival experience expected of a residence of this caliber. The interiors have been extensively reimagined with exceptional craftsmanship and the finest designer finishes. A stunning chef’s kitchen showcases premium Wolf and Sub-Zero appliances, custom cabinetry, and a dramatic island crafted from rare semi-precious exotic stone, creating a true statement centerpiece. Smart home integration through a Savant automation system provides effortless control of lighting, climate, and entertainment. Wine enthusiasts will appreciate the custom climate-controlled wine display secured by a sleek touch-access glass entry, while bespoke closet systems and finely crafted

millwork further reflect the meticulous attention to detail carried throughout the home. The Remington offers a level of service and amenity rarely found, including a 24-hour staffed lobby, on-site management, elegant social salons, club and card rooms, library, state-of-the-art fitness facilities, luxurious guest suites, and a resort-inspired pool and spa accented by a fireside gathering area. Ownership also conveys the incomparable privileges of Bay Colony and Pelican Bay, including access to miles of pristine white sand beaches, private beachfront dining clubs, attended beach services, championship tennis programs, cutting-edge fitness centers, educational and cultural programs, and an extensive network of scenic walking, biking, and kayaking trails. This is a rare opportunity to own a masterfully renovated Gulf-front residence where exceptional design, world-class amenities, and one of Naples’ most prestigious addresses come together to create a truly elevated coastal lifestyle.
