Description

BRAND-NEW CONSTRUCTION | MODERN DESIGN | ENERGY-EFFICIENT FEATURES | QUALITY CRAFTSMANSHIP! Welcome to 3515 73rd St W in Lehigh Acres, where contemporary architecture meets modern comfort and thoughtful construction. This stunning new-construction home features metal-framed construction, a distinctive flat-roof design, and an impressive selection of upgrades designed with comfort and efficiency in mind. A standout feature is the home's upgraded **Ultra Gama ECO impact-resistant windows**, designed to help reduce heat transfer and support more efficient air-conditioning performance. **Spray-foam insulation throughout the home** provides an additional layer of thermal protection, helping maintain comfortable indoor temperatures and reduce heating and cooling demands. Step inside to discover a bright, inviting interior featuring beautiful **porcelain tile flooring**, modern finishes, and a thoughtfully designed layout that seamlessly connects the living, dining, and entertaining spaces. The combination of energy-conscious features, contemporary styling, and quality materials makes this home an exceptional opportunity for buyers seeking both beauty and functionality. Conveniently located in Lehigh Acres with access to shopping, dining, schools, and major roadways. Experience the comfort, style, and advantages of brand-new construction. **Schedule your private showing today!**
