Description

Built in 2023, this 2-bedroom, 2-bath home with a den offers 1,104 square feet of heated living space on an approximately 8,000-square-foot lot in South Punta Gorda Heights. The single-story layout includes a living room, kitchen, two bedrooms, and a den offering flexibility for a home office, hobby area, or additional living space. The primary bedroom features two standard closets, while the second bedroom includes a standard closet. Interior features include central heating and air conditioning, ceiling fans, and laminate flooring. Outside, the fenced yard includes a chicken coop and covered storage, providing additional space for outdoor use and storage. Block and stucco construction, a shingle roof, and an attached one-car garage complete the property. With no HOA fees, this home offers practical indoor and outdoor features with room to make the space your own
