Description

A private in-ground pool anchors the fenced backyard of this single-story Northwest Cape Coral home. The paver patio and pergola offer space to relax or dine outdoors, with palms and fruit trees framing the yard. Inside, approximately 2,050 square feet of living area includes an eat-in kitchen, a spacious family room, and a dedicated bar area. Two full bathrooms and an attached two-car garage complete the layout. The property is mapped in FEMA Flood Zone X, where flood insurance is generally optional, subject to lender requirements.
