Description

Welcome to this 2nd floor upstairs coach home featuring two bedrooms and two full bathrooms, highlighted by soaring vaulted ceilings that create an open and airy feel throughout. As you step inside, your eyes are drawn immediately to the expansive lake view, complemented by desirable southern exposure that fills the home with natural light. The interior has been freshly painted, offering a clean, move-in-ready canvas, while the carpet has been removed so your buyers can install the custom flooring of their choice. The primary bath has been completely transformed with brand-new cabinets, sleek countertops, stunning floor-to-ceiling shower tiles, a stylish glass door, updated flooring, and a generous walk-in closet. Additional features include an HVAC system that was just serviced, a dedicated laundry room equipped with a newer washer and dryer, and full peace of mind thanks to impact glass windows installed throughout. Outside, enjoy the peaceful scenery from the tiled lanai, which also includes a convenient storage closet. Complete with two dedicated parking spaces—one covered carport and one space directly in front of the building. Huntington Lakes offers an exceptional lifestyle with resort-style amenities, including three heated pools, a spa/hot tub, Har-Tru tennis courts, bocce, a fitness center, billiards, an activities room, and an active social calendar through the activities committee.
