Description

Oh What a View! This lakefront home in The Willows, a gated community in Fort Myers, has a beautiful setting with a screened pool and spa overlooking the lake plus an upstairs screened balcony to enjoy the view from above. The home offers 3 bedrooms plus a den, 3 full bathrooms, 1,904 sq ft of living area, and a 2-car garage on a .26-acre lot with southern rear exposure. The two-story design feels open and spacious with vaulted ceilings, large arched windows, French doors, and separate living and family room areas. There's even a wet bar for entertaining. The kitchen offers plenty of cabinetry, stainless steel appliances, breakfast bar seating, and pantry storage. The split-bedroom floor plan provides separation between the bedrooms, and the den gives you extra space for an office, hobbies, or whatever fits your needs. Check out the screened pool area with brick paver decking, a spa, decorative rock water feature, outdoor kitchen, and outdoor shower. And don't miss that upstairs balcony overlooking the water! Mature landscaping and a paver driveway add to the home's appeal. The Willows is an established gated neighborhood with a community park, tucked away in Fort Myers yet convenient to shopping, restaurants, Bell Tower, Six Mile Cypress Slough Preserve, and major roadways. Downtown Fort Myers, Southwest Florida International Airport, and Gulf beaches are all part of the Southwest Florida lifestyle. With the lake views, pool and spa, and all the different living spaces, this is one of those homes you really need to see to appreciate! We believe home is

approximately 2,580 square feet living area. Please confirm as Lee County Property Appraiser uses 1,904 living area but seems to miss some areas.
