Description

Brand-New Construction in Lehigh Acres Be the first to call this home. This newly completed 3-bed, 3-bath, 1000+ sq ft home pairs a bright open-concept layout with modern finishes throughout. The kitchen is the centerpiece: quartz countertops, stainless steel appliances, shaker cabinetry, and a large waterfall island open to the living and dining area, ideal for everyday living and hosting. The primary suite offers a huge closet and a upgraded vanity, and the secondary bedrooms are generously sized. Built to current Florida code with impact windows, a new roof, and an energy-efficient A/C. That means lower utility bills and peace of mind during storm season. Outside, enjoy a big lot with room to spread out. Attached 1 car garage ready for an efficiency addition. You’re minutes from shopping, dining, parks, and quick access to 75 for an easy commute to Fort Myers.
