Description

NEW CONSTRUCTION | 3 BEDROOMS + DEN | 2 BATHROOMS | 2-CAR GARAGE | APPROXIMATELY HALF AN ACRE Space to spread out and modern finishes come together at 808 Congress Avenue in Lehigh Acres. This newly constructed, single-story home offers approximately 1,671 square feet of living area, an open layout, and a separate den that adds flexibility for a home office, reading room, or creative space. The kitchen features quartz countertops and soft-close wood cabinetry, with an open connection to the living and dining areas that makes everyday living and entertaining feel effortless. Porcelain tile flooring, tray ceilings, 8-foot interior doors, and tall baseboards create a cohesive, finished look throughout the home. Impact-resistant windows and doors complement the contemporary design. Three bedrooms and two full bathrooms provide comfortable accommodations, while the den offers additional space to adapt to your needs. An attached two-car garage adds convenient parking and storage. Set on approximately half an acre, the property offers generous outdoor space for gardening, outdoor seating, and enjoying the Florida lifestyle. With no existing pool to maintain, the spacious yard provides an opportunity to personalize your outdoor surroundings, subject to applicable permitting and restrictions. No HOA. Well water and septic system. Discover the combination of new construction, flexible interior space, and a generous lot at 808 Congress Avenue.
