Description

JOY. That's what this home feels like. Recently renovated and completely updated in 2024, this Coquina Sands beach retreat makes everyday life feel a little more like vacation. From lively gatherings and afternoons by the pool to quiet, cozy nights in, this is a home to enjoy. With four bedrooms, three and a half baths, a den or home office, and a two-car garage, there's room to come together and space to enjoy your own quiet corner. The generous primary wing offers a private retreat, while an in-law suite and an additional guest bedroom with an en suite make hosting easy. A custom bar and custom pantry with brand-new quartz countertops add thoughtful touches for entertaining. The spacious, private backyard is where the fun continues. Enjoy the saltwater pool and spa, outdoor kitchen, fire pit, sauna and cold plunge- or simply settle in and enjoy the sunshine. Out front, a basketball hoop invites a little friendly competition, and the extra-large driveway provides plenty of parking for visitors. Lowdermilk Beach Park is just a quick golf cart ride away. Practical comforts include an Allini organic water filtration system, a whole-house generator and an electric vehicle charging hookup. Whether you picture weekend guests, visits from the grandkids, working from home or a peaceful evening watching the sunset, 1515 Mandarin Road is a place to settle in, make memories and find your JOY. -Located in an X-flood zone-
