Description

One or more photo(s) has been virtually staged, AI generated or rendered. SECOND FLOOR: NEVER LIVED IN. This BRAND-NEW 3-bedroom, 2-bath residence sits in Antilles, one of South Naples' most sought-after communities, just minutes from Marco Island. It is one of FOUR nearly identical new-construction homes available side by side, two on the first floor and two upstairs, so you can choose the level that suits you. Bonus feature: they all feature newly installed plantation shutters, as well as smart ceiling fans and lighting fixtures. This second-floor home offers ADDED PRIVACY and a lower price than the first-floor homes, with more than 1,500 square feet, an open floor plan, tile throughout and HURRICANE-IMPACT WINDOWS. The kitchen features quartz countertops, solid wood cabinetry and stainless steel appliances, and opens to the living and dining areas. The primary suite includes a walk-in closet, double vanities and a walk-in shower, while two more bedrooms work well for guests or a home office. Relax on the screened lanai with elevated views over the PRESERVE. A BUILT-IN ONE-CAR GARAGE and in-unit laundry add everyday convenience. Antilles residents enjoy The Flamingo Club, with a 3,500-square-foot resort-style pool, spa, tiki hut, fitness center, and pickleball and bocce courts. Live minutes from Marco Island's beaches, boating and dining at a FRACTION OF ISLAND PRICES, in an area where new construction at this price is getting harder to find. Four are available now.
